We offer 200 kWh battery energy storage systems to enhance energy efficiency and ensure reliable power management. High-performance BESS cabinets for commercial and industrial use.

Within our high-voltage ESS battery systems lies a remarkable 200kwh system voltage, guaranteeing peak performance and efficiency across all your commercial and industrial undertakings.

BSLBATT ESS-GRID Cabinet Series is an industrial and commercial energy storage system available in capacities of 200kWh, 215kWh, 225kWh, and 245kWh. It offers peak shaving, energy backup, ...

Designed for outdoor deployment, the cabinet features weather-resistant construction, efficient ventilation or air conditioning, and options for battery and DC distribution integration.

All equipment is pre-integrated into an IP-rated outdoor protective cabinet, ensuring ready deployment upon arrival and immediate power generation upon installation, significantly reducing ...

Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid applications.

The outdoor cabinet-type photovoltaic storage system, boasting a power rating of 100kW/200kWh, seamlessly amalgamates energy storage batteries, PCS, power distribution, ...

Discover the MEGATRON Series - 50 to 200kW Battery Energy Storage Systems (BESS) tailored for commercial and industrial applications. These systems are install-ready and cost-effective, offering ...
