12×10 pieces bifacial monocrystalline solar cells series strings. 1200mm (cable length can be customized), 4mm². URE solar panel systems. Perfect for the solar contractor or handy homeowner.

Utility Grade Optimized to maximize returns, the X-Series panel is a bankable solution for large-scale power plants. Maxeon® Solar Cells: Fundamentally better Engineered for performance, designed for ...

Designed with advanced N-type TOPCon cell technology, this bifacial module maximizes energy output by harnessing sunlight from both sides, making it ideal for residential, commercial, and industrial ...

This high-performance solar panel, equipped with 120 cells, delivers an impressive 445W of clean and sustainable energy, making it an excellent choice for residential and commercial solar installations.

Electrical Specifications (STC*) ... *Measured at Standard Testing Conditions (STC): cell temp 25°C, AM1.5, 1000W/m²

FBM445M7G-BB / 120 cells 445 Watt Mono-Crystalline PV Module UL 61730, CE-compliant

About SEG Solar SEG Solar is a leading manufacturer of high-performance solar panels for residential, commercial, and utility applications. help customers reduce their energy costs and ...

REC Solar's Alpha REC445AA 72 solar panel is a revolutionary solar panel achieving incredible levels of efficiency, power, and strength. This reliable solar panel is ideal for homes or businesses requiring a ...
