The specifications and characteristics contained in this datasheet may deviate slightly from our actual products due to the product developments and uncertainty of measurement devices.

Aesthetics All black design with advanced split cell technology features 10 ultra-thin busbars that allow for less resistance and greater energy harvest. Number of Pallets per 40ft. Container. *1. Mounting ...

The Aptos 460W Monofacial Solar Panel delivers top-tier performance with cutting-edge technology and superior durability. Featuring patented DNA technology, an all-black design, and advanced split-cell ...

Introducing the REC Alpha Pure-RX series, a groundbreaking line of solar panels designed for residential installations. With power outputs of 460W and 470W, these panels offer unrivaled ...

Glass 0.13 in. solar glass with anti-reflective surface treatment in accordance with EN12150

The REC Alpha Pure-RX REC460AA delivers 460W of power with a 22.1% efficiency, powered by 88 half-cut bifacial heterojunction (HJT) cells in a lead-free, gapless design.

Expert BlueSun 460W bifacial solar panel review with performance testing, installation guide, cost analysis & comparison. Real-world results included.

System Voltage: 1500 V (IEC/UL) Linear Power Performance Warranty* *According to the applicable Bluesun Solar Limited Warranty Statement.
