How long do used 20 foot containers last?

Used 20 foot containers have been retired from international shipping after an average of 15-20 years at sea.

What is a 20-foot shipping container rental?

A 20-foot shipping container rental offers durability, versatility and portability in various construction, industrial and commercial use cases. Primarily intended for portable on-site storage, 20-foot cargo containers are windproof and watertight.

How big is a 20 foot shipping container?

A standard 20-foot shipping container exterior is 20' by 8' by 8'6" with interior measurements of 19'3" by 7'8.5" by 7'10.125". Finally, door openings are 7'8.25" by 7'5.75". We also offer 20-foot high-cube shipping containers, designed to provide extra headroom for taller materials.

Should I buy a 20ft shipping container?

We recommend purchasing a 20ft new shipping container instead. Boxhub is the largest online container marketplace in the United States and Canada. From homeowners to small business owners, enterprises to non-profits, our customers trust us to give them the best value for their money and deliver their containers on time.

Maximize your storage space with a 20 ft. shipping container rental from United Rentals. Our selection includes high cube containers, refrigerated containers and more.
