Should the EU review its relations with Baku?

Parliament calls on the EU to undertake a comprehensive review of its relations with Baku. To develop a strategic partnership with a country like Azerbaijan, which blatantly violates international law and international commitments, and has an alarming human rights record, is incompatible with the objectives of EU foreign policy, MEPs say.

Why is the Baku workplan important?

ervation of local varieties. In this regard, the Baku Workplan constitutes an important basis to elevate voices of Indigenous Peoples and local communities via the UNFCCC process. It envisages several key areas a

What is the Baku to Belém roadmap to 1.3T?
