Roughly translated as "fountain of flowers," Bloemfontein is known as the City of Roses, both because of the abundance of the blooms throughout the city and the annual festival dedicated to the flower.

Impressively grandiose, the Old Presidency sits on President Brand Street right at the heart of Bloemfontein. Also known in Afrikaans as Ou Presidensie, it was built in the 1880s to act as ...

BESS stands for Battery Energy Storage Systems, which store energy generated from renewable sources like solar or wind. The stored energy can then be used when demand is high, ensuring a ...

Today, Bloemfontein is a compact city surrounded by sprawling suburbs. Happily, the city centre is safe to walk around during the day, but many of the city's activities are focused on the ...

Bloemfontein experiences a cold semi-arid climate (Köppen BSk), with hot summer days and cool, dry winters with frosty nights. Rainfall usually arrives in the summer months, often in the form of dramatic ...

Bloemfontein, city, capital of Free State province (formerly Orange Free State) and judicial capital of the Republic of South Africa.

With the core objective of improving the long-term performance of cabin-type energy storages, this paper proposes a collaborative design and modularized assembly technology of cabin-type energy ...

Our team of experts works closely with you to design and install customized solar storage solutions that maximize efficiency and savings. From the initial consultation to the final installation, we ensure a ...
