What types of battery cabinets and electronics enclosures does Aze offer?

AZE offers a wide variety of large outdoor battery cabinets and electronics enclosures for emergency backup UPS and solar storage applications. Our NEMA 3R Design Battery & Control Enclosures feature white polyester powder-coated aluminum, swing out door or chest style, filtered vents and an optional NEMA 4 design separate electronics enclosure.

Does sunwize Power & Battery offer custom enclosures?

Sunwize Power & Battery also offers custom enclosures to meet any specification. All Enclosures include rainproof design, electrical knockouts and ventilation. M Series Enclosures are pole-mounted enclosures featuring new battery storage capabilities and a hammered powder coat finish.

Are solar battery enclosure cabinets waterproof?

APX Enclosures offers custom-built solar battery enclosure cabinets. Each structure is waterproof and durable, constructed in your choice of aluminum, carbon or stainless steel. Beyond keeping your solar batteries protected from natural wear and tear, our cabinets ensure safety from theft and unauthorized access.

Are KDM solar battery cabinets waterproof?
