How do I find a charging station near me?

To find a charging station near you, download and open the ChargeHub application. Please be sure to activate your device's location services. Then, you can consult the interactive map, which will display nearby charging stations. You can also use the map on our website to locate an available charging station.

How do I Find my plugbug Charger?

If your PlugBug charger is misplaced, borrowed, or buried in your suitcase, just launch the Find My app on your iPhone or MacBook to track it down--anywhere in the world. Choose from a 50W charger that powers up 2 devices simultaneously, or the 120W option that can power up devices for the whole family.

Is plugbug with Find my a good charger?

The design of PlugBug with Find My is as powerful as its charging capability. PlugBug's slim white profile and bright red swoosh make this charger easy to spot in a crowded airport charging bank yet fits seamlessly into your home. If style is as important as power, PlugBug with Find My was made for you.

How is chargefinder updated?

ChargeFinder is continuously updated with new charging stations from the larger charging networks, individual smaller players and a variety of other data sources. The information is continuously supplemented and refined with the help of ambassadors and our growing community.
