National Petroleum Authority Bill, 2024
Parliament is considering the National Petroleum Authority Bill, 2024, which would replace the current National Petroleum Authority Act, 2005 ("Act 691") to re-establish the National Petroleum Authority ("NPA") and further consolidate the laws relating to the petroleum downstream industry. The bill notes ...
National Petroleum Authority (Amendment) Bill, 2023
While the re-enactment of Act 691 is being considered by Parliament, as discussed above, the Minister responsible for energy has laid an additional bill before Parliament to amend the existing Act 691. The object of this important bill is to amend the existing Act 691 to introduce local content and local particip...
