Haitai Solar has been awarded the BloombergNEF Tier 1 Photovoltaic Module Manufacturer rating for Q2 2025--meeting the most rigorous criteria to date:...

In the solar panel arms race, Haitai Solar's photovoltaic modules are making waves faster than a desert sandstorm. While most manufacturers play catch-up with 182mm wafers, Haitai's Taiji 182 Series ...

Haitai Solar is a high-tech enterprise focused on green energy with five Business Divisions: Photovoltaic modules, Utility Scale Power Plant, Photovoltaic Brackets, Energy Storage, and Hydrogen Energy.

Recently, Haitai Solar's 182, 210R, and 210 N-type TOPCon dual-glass modules successfully passed TÜV Rheinland's enhanced hail impact test and obtained certification, further proving the products" ...

With cutting-edge technology, customer-first values, and a commitment to sustainability, Haitai Solar is powering the world's transition to a greener future.

Haitai Solar has ranked once again in the list of photovoltaic (PV) module manufacturers meeting Bloomberg New Energy Finance (BNEF)'s Tier 1 criteria as of Q3 2023, due to its PV Module ...

On June 2nd, Bloomberg New Energy Finance (BNEF), a globally authoritative research institution, officially released the Global Tier 1 Photovoltaic Module Manufacturers List for the second quarter of ...

Solar panels are graded in three categories - Class I, Class II and Class III. In fact, this is not only the grading of solar panels, but also the grading of solar manufacturers.
