Optimize your energy storage with Sunwoda's OASIS 60. Scalable, robust, and versatile for seamless commercial and industrial applications.

60kWh High-voltage battery cabinet (GSL-BESS50K60): All-in-one, specifically designed for commercial and industrial applications. Single-door or double-door cabinet options are available, ...

Designed for easy installation and flexible deployment, this energy storage battery system delivers up to 6,500 charge/discharge cycles and features IP54 ingress protection, making it ideal for both indoor ...

Deye GE-FL60 cabinets, 60kwh battery bank with IP65 enclosure, cooling and fire suppression system. Deye's GE-FL60 are advanced lithium iron phosphate (LFP) battery energy storage systems ...

In combination with photovoltaic electricity generated for self-use, commercial storage can help increase the solar self-sufficiency of the business. Fully enclosed design, Own SCU Technology, for example, ...

Hongxun 30KW 60KW 60KWh intelligent C& I energy storage integrated cabinet, 30-50KV<sub>a</sub>, 3UN/PE; 230/400v. Proven and safe, economical and environmentally friendly LiFePO<sub>4</sub> battery module, ...

Designed for commercial, industrial, and microgrid applications, it integrates a 30kW PCS with a 60kWh LiFePO<sub>4</sub> battery bank to provide safe, efficient, and reliable power storage.

Its modular, pre-assembled design ensures rapid deployment with scalability for expanding energy needs. Certified reliability, intelligent management, and rugged construction make it ideal for solar, ...
