Jinko JKM580N-72HL4-BDV Bifacial Solar Panel, 580W, MC4, 30mm Clear Frame, Clear Back Sheet, 144 Half Cell Mono N-Type, 30A Fuse, 1500VDC, 548.2W PTC.

This panel is ideal for both residential and commercial solar projects, whether grid-tied or off-grid. You can buy the Jinko 580w panel is available for wholesale, retail, and nationwide distribution.

Summary: The Jinko 580W solar panel with SMBB, Hot 2.0 technology, and high resistance to PID and extreme conditions is a top-tier choice for efficient and reliable solar power. Its robust design and ...

Certified to withstand humidity, heat, rain, marine environments, wind, hailstorms, and packed snow. 12-year product and 30-year linear power warranty.

Produces 580W per square feet to optimize rooftops with space constraints. Independently generates renewable energy for electric bill savings. Harness maximum power! Get the Jinko 580W bifacial ...

Greentech Renewables supplies Jinko Solar 580W 144 Half-Cell 1500V N-Type ...

Feature highlights: Jinko 580W solar panel features N-type monocrystalline silicon cells, a robust 30mm anodized aluminum frame, and IP68 junction box for durability.

From customizable orders starting at just 1 pallet of 31 panels to the bifacial design for increased power output, our Jinko solar panels ensure maximum efficiency, allowing you to generate more electricity ...
