---

Good for distributed generation applications; Matches with various inverters and optimizers; Avoids wiring loss. Gallium-doped technology overcomes LID degradation and guarantees the long-term ...

Greentech Renewables supplies LONGi Solar 545W 144 Half-Cell 1500V Silver Bifacial Solar Panel, LR5-72HBD-545M and other pre-qualified solar equipment from LONGi Solar through our extensive ...

LONGi LR5-72HBD-545M is a PV module fit for both residential and commercial applications. LONGi engineers made the Hi-MO 5 series durable and efficient while minimizing the amount of useful ...

Greentech Renewables supplies LONGi Solar 545W 144 Half-Cell 1500V Silver ...

Longi modules add credibility to your projects and installations, and better your ability to acquire financing based on their outstanding reputation for quality, efficiency, service, and warranty worldwide.

The LONGi LR5-72HBD-545W solar panel is a monocrystalline, half-cut cell solar panel with a power output of 545 watts. This panel is known for its high efficiency, durability, and robust design.

The LONGi LR5-72HPH-545M is a 545W half-cut solar module featuring 144 cells. Designed by LONGi, this high-performance module is optimized for commercial and industrial installations.

The 545W monocrystalline solar panel from Longi is ideal for self-consumption and industrial solar installations. These modules offer high quality and durability, manufactured with monocrystalline ...
