Note that if you declared it `var a = new { }; and var o = new object();`, then there is one difference, former is assignable only to another similar anonymous object, while latter being object, it ...

In a report on grid modernisation, Esmat detailed that 34 new transformer stations of various voltage levels were completed and integrated into the unified national grid over the past year.

A new expression is the whole phrase that begins with new. So what do you call just the "new" part of it? If it's wrong to call that the new operator, then we should not call "sizeof" the sizeof ...

The new keyword in JavaScript can be quite confusing when it is first encountered, as people tend to think that JavaScript is not an object-oriented programming language. What is it? What problems ...

According to this reference for operator new: Global dynamic storage operator functions are special in the standard library: All three versions of operator new are declared in the global ...

`new String[10]{}; //The line you mentioned above Was wrong because you are defining an array of length 10 ([10]), then defining an array of length 0 ({}), and trying to set them to the same array reference ...`

In 2023 Egypt had 59.7 GW of electricity installed generating capacity. As of 2019, Egypt registered 4 small-scale hydropower plants up to 10 MW with a total installed capacity of 6.8 MW.

We're committed to lowering costs, supporting job growth and preparing the grid for the demands of the future. From keeping families warm during a storm to enabling new businesses to thrive with reliable ...
