Top five!Chint power has won the 365 global photovoltaic ranking list!

Through our technologies and expertise, we are making deeper integration of solar power into various scenarios. The best way to boost economic benefits out of limited land availability.

Under the CHINT Group, Astronergy is an intelligent manufacturing enterprise focusing on photovoltaic cells and modules. Founded in 2006, it is one of the earliest private enterprises in China to set foot in ...

Best in class cost leadership driven by value engineering and world class supply chain efficiency.

CHINT residential solar solution helps you to embrace a sustainable, cost effective energy life. Our solar systems are designed to power your entire home effeciently, making it a smart investment for long ...

Chint Pvstar leads the industry in providing cutting-edge residential rooftop solar solutions. Their systems are designed to maximize efficiency and energy output, ensuring homeowners receive the ...

At the forefront, Chint's photovoltaic energy storage systems utilize advanced lithium-ion battery technology. This technology allows for the efficient storage of solar energy generated during ...

Our PV systems feature advanced Astronergy modules, renowned for their high efficiency and reliability. We provide customized designs to maximize energy yield, tailored to specific site conditions and ...
