What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

What is a solar battery enclosure?

Free-standing enclosures and floor-mounted enclosures are perfect either for large solar batteries or many batteries that are too heavy to be wall-mounted or pole-mounted. Free-standing battery enclosures could be of any height, width, and depth according to your requirements. They can be portable if you choose to include casters.
