Considerations Before Installing Balcony Solar Panels
Pros and Cons of Balcony Solar Panels
Balcony Solar Panels: Are They Worth It?
So, are balcony solar panels worth it? The answer ultimately depends on your intentions. For a full-size array that powers your home, probably not. The payback potential isn't worth it for the size and setup cost. But for a battery-charging array (even a small one like this one), it's absolutely worth the cost. Of course, if you're committed to inv...
