-----

With just 4 hours of full sunlight, this 220W panel is capable of producing up to 880Wh per day--making it a smart, space-saving solution for modern off-grid needs.

By weighing efficiency, durability, portability, and compatibility, you can select the best 220 watt solar panel tailored to your specific outdoor or backup power needs.

The MEGA 220 Solar Panel is built with split energy technology and durable frames to withstand the harshest environments while producing 220W of solar energy.
