Through the Solar Battery Rebate, homeowners in Malta & Gozo with solar systems can install Tesla Powerwall and pay only 20%! Enjoy power independence and blackout protection.

Install Solar Roof and power your home with a fully integrated solar and energy storage system. The glass solar tiles and steel roofing tiles look great up close and from the street, complementing your ...

The Tesla Powerwall is more than just a battery, it's a smart, sustainable investment for homeowners in Malta. By combining it with your solar panels, you're not only saving money but also contributing to a ...

Tesla partners with local installers to install Wall Connector, Powerwall and Solar Roof. Find Tesla Certified Installers for an estimate, timeline and more.

Tesla has launched its Powerwall home battery in another European country this week, this time on the island of Malta.

Homeowners who are smart enough to upgrade their solar systems or add a Powerwall 2 can cash in on some serious government rebates. ISD is pumped to help make this happen, offering ...

One tiny complication is that Tesla's vision seems tailored for tiled, slanting roofs which are uncommon in Malta. But, that shouldn't stop us from trying to adapt. Here are three ways we can ...

Specialising in Photovoltaic Panels for residential and commercial installations, solar water heaters, inverters and storage systems to help manage your energy production.
