Is Tirana worth visiting? Discover the pros, cons, and travel tips to decide if Albania's vibrant capital is the right destination for you.

Tirana has disintegrating soviet-era buildings, brand new projects and proud historic monuments side-by-side, while the wonderful upland scenery that bounds the city to the east calls for ...

Tirana extends at the Plain of Tirana in the centre of Albania between the mount of Dajti in the east, the hills of Krrabe, Sauk and Vaqarr in the south, and a valley to the north overlooking the Adriatic Sea.

Construction is underway: following the completion of the low-rise glazing, the modular facade cells are being installed on the main tower. Upon completion, Eyes of Tirana will rise to ...

A new commercial development in Tirana is set to redefine how buildings are designed, powered, and valued in Albania. The KRIENKO building, located in Sauk, is being presented as the ...

Explore Guardian Glass projects in your area and beyond with Google Street View and be inspired by the possibilities. Discover our showcase projects, captured through the lens of professional ...

I spent a month living in and exploring Albania's capital city. Here's my up to date list of what to do in Tirana.

Trina Solar provides a full array of Vanguard 1P trackers, combined with Vertex DEG21C.20 dual-glass bifacial PV modules in 650W and 655W configurations, with an installed ...
